

Bobby W. Brown

February 18, 1947 - August 22, 2014

Bobby W. Brown, age 67, had his season end on August 22, 2014. His season began on February 18, 1947 in Wichita Falls, Texas and his early years were spent in Holliday, Texas. He was an avid baseball player from the time he could hold a bat. He was a standout player at South Houston High School in Pasadena, Texas, where he was one of the few players able to get a hit off of Nolan Ryan. He also played fast pitch and slow pitch softball later on in life. Bobby proudly served his country in Korea from 1967 thru 1969 with the United States Army.

There were two seasons in his life, deer season and not deer season, according to him. He was happiest sitting in a deer stand and loved the outdoors. If there are deer in Heaven, they better watch out for him.

Bobby was preceded in death by his mother and father, Hazel and Harry Brown, and his daughter, Stephanie Lee Brown. He is survived by daughter, Kacee Lyn Jackson and husband Kyle; sons, Bobby Wayne Brown, Jr. and wife Amy and Brady Wade Brown; grandchildren, Grant, Blake, Ashtyn and Brayson Brown and Collin and Jena Alverson; sister, Sandra Kittrell and husband Roger; and uncle, Bud Riddle and wife Jean.

Friends are invited to visit with the family starting at 4 pm on Sunday, August 24, 2014 at Eickenhorst Funeral Services, 1712 N. Frazier and Wilson, Suite 115, Conroe, Texas 77301, where a 5 pm funeral service will be held. Bobby will be buried in the Holliday Cemetery in Holliday, Texas. “ Bobby you were the last person I fell in love with, I miss you so much and wish you had made it on up to live with me in Arizona. Everything works out the way it does for a reason, but I will still always love you and miss you. Now you can take care of your mother and father.

“ Bobby was one best ball players I ever had the prevlidge to play against, he could do it all, hit, steal bases, lay down beautiful bunts, even drove one out of the park while his team defeated us one night. My sincere condolences to his family at their loss.

“ Thank you Gordon. I shared your comment with Bobby's two grandsons. They too are awesome ball players just like their Papa Brown. It's in the genes. We will miss him terribly. He was frequently in the stands cheering on his grandsons and pulling them aside for pointers.
