“ I met Pat during Doolie summer at the Air Force Academy. We shared many challenging times together and subsequently became roommates during the first semester of our fourth class year in 24th Squadron. I remember Pat for his selfless support of classmates, his calm reassuring manner, and most of all for his wonderful friendship. Although we never made contact following graduation, it was honor to have known Pat and shared a memorable part of our life together. May he rest in peace. My sincerest sympathy goes to Pat's wife and family. Please know that as classmates and friends we share your loss and recognize that the world shines a bit brighter from Pat's influence on others. God bless you. Ron Cassano, Washington Crossing, PA

“ I knew Pat at the Air Force Academy in 1967 and 1968. We were in the same squadron during those first two years and were roommates at least one semester. We also did some traveling together during the summer of 1968 and 1969. I had the privilege of being at Pat's parents' home on July 21, 1969 to watch Neil Armstrong step on the moon. I lost touch with Pat after those first two years and in recent years tried to get a hold of Pat to encourage him to come to an Academy Reunion. I was unsuccessful and was sad to hear of Pat's passing this past November. RIP Pat. God's blessings and comfort to his surviving wife and other family members. Chris Rohwer, Bellevue, WA
