Kyler attended Willis High School where he made numerous friends! His contagious laugh and beautiful smile would light up a room. Kyler was known for his love of life, many friends, and his love for his momma! Kyler was very generous in helping his friends, family and even the homeless. He was a hard worker and made friends easily wherever he worked. Kyler was always respectful and tried to help others whenever he was able; often he would give his last dollar! “ To me Kyler wasn't just one of the kids he was my nephews best friend and my daughters good friend. Kyler would do anything for you, he would give you the shirt off his back if you asked him for it. Kyler was mostly a great kid with a respectful attitude and I really liked my kid and my nephew hanging out with him. He was a hard worker, he was quiet and he was real! Kyler didn't deserve this but it is my belief that our savior needed him more than we did. I wish nothing but pain and suffering for the sorry POS that took this kids life. RIP Kyler we will never forget you or your smile.
