“ Brandy was a very sweet person and a wondering soul. She loved to travel and see new places. She always talked about her memories with her boys and her late husband. I had the pleasure of having her stay with me and her son Justin several times, she was always so helpful. I remember when I first had her 1st grandbaby (calleigh coker) she was living with me then and she would bring me im a bottle when it was time to eat she would care for Calleigh when Justin and I needed sleep. She put everyone she knew's happiness before herself. I will say she was certainly not heartless thats forsure. She wouls give her last dollar to anyone even if she needed it. When we had a rough or hard time she would make it work, she would figure it out somehow. Her and I had our differences but what two women living in the same household dont. LOL. I knew she meant well all the time! I love you, and will miss you. I hadnt seen her in a year and a half and i hate that. Rest In Paradise Beautiful, and tell my mom I said I love her and I miss her. I know she welcomed you with open arms! Love you Brandy- Courtney
