“ I have many fond memories of volunteering with Dolores at the Conroe VA Out Patient Clinic. She was definitely devoted to those she served and truly cared for and about each one. We kept in touch after I moved on from Texas and I always enjoyed getting phone calls from her. My sincere condolences to her family and friends. Betty Turner, New Smyrna Beach, FL

“ Dear Mathias family,
Mrs. Mathias Was kind, caring, & compassionate toward all of us that interacted with her at our COPC for so many, many years. Her phone calls to confirm our appointments were always recieved with pleasure and appreciation. Her smiles and concern for us all made every visit to the clinic just that much more comfortable. I cried when I read her obituary this morning in the Courier. You don't replace a heart like hers for her Veteran patients. You just remain grateful for the years she served our community...and miss her.
God welcomed home a true gem with Ms. Delores' passing.

“ She loved getting my Fig Preserves. I loved when she would also call me to remind me of my upcoming appointments at the Conroe VA. Dolores made everyone smile and brighten their day whether it be a staff member or a Patient. God, take her hand up into the heavens so she'll be another one of Your Angels.
