“ To share a memory would not be enough. Sue and Bruce always treated me like a member of the family and I always felt like one. The love and kindness shown by them was beyond words and has always filled my heart with joy when thinking about the wonderful times we all had together. I'm glad they are together again and I know that there is joy in heaven as two of the most wonderful people I have ever known can once again join hands as they enjoy eternity together. To Melanie and Bruce I think you both know I love you from the bottom of my heart and I share in your sorrow of losing your mother. I am always here for you: if and when you need me, for not only was I a part of your family but you are and have always been a part of mine.

“ Melanie, Bruce...your mother was the best neighbor with a heart of gold. We will miss her, and I will miss our discussions, but we also rejoice with her crossing over to where she longed to be. I miss seeing her leave each morning and her return in the afternoon.

Hugs and love to your both in the coming days as you are reminded of memories that will bring a tear, a smile or even a chuckle.
