“ So sorry to hear of Sarah (Janell's) passing. We were old friends of the Reynolds family. We went to a little community church and we were all "family." Our thoughts and prayers are with you at this time!

“ I wish I had the right words- just know that I care. Janell and her family were close friends while we were attending school for many years in Hodges and Hawley. My love goes out to the family.

“ My heart felt sympathy goes out to Janell's husband and entire family at this sad time. I attended high school with Janell, Janice and Meta. I knew the family well and share in their sorrow.
