“ Steve will be dearly missed. I truly loved him with all my heart and I knew how much he loved me, even though we had our ups and downs like any brother and sister. He suffered for many years and now he's at peace. Love you Stevie, your big sister

“ I was very sad to hear of Steve's passing. I worked with him at HL&P and he made us laugh nearly everyday. He certainly was an unforgettable person. My condolences to the family. I have a funny photo of Steve acting like he was sleeping on the job at HL&P around 1990, always being funny and making us laugh! I looked at it this morning and smiled. Cindy Kincannon

“ Sara-
It is with a very heavy heart that we learned of Steve's passing. Steve was my partner many years ago on the "catalog project" and we really had a good time working together and he sure made me laugh many a day. Steve was fighting diabetes already at that time and I knew he had ongoing problems that continued to progress through the years resulting from it. I am sure after all the years of dealing with the issues, he was finally exhausted and didn't feel he had more effort to give to the fight. Donny and I are extended our deepest condolences for your loss. May you find comfort in all of your happy memories of your time together. Blessing to you always.

“ Dear Mr and Mrs Barber and Sarah,
Steve was a friend in high school. I moved to Houston shortly after he did and spent much time with him there. He was a good friend and a gracious guy. I am sorry for your loss and know he is with us in spirit. Sending love to you and to Steve.
