“ Phil, Stephanie & Families, May God bless you at this time as you celebrate Virginia's life. May fond memories of Virginia be with you in the years to come. Kevin and my fondest memories were the Thanksgiving dinners Virginia and Mel would open their home to us to come and enjoy with you and the family. We greatly appreciated those invites. “ virginia came into our lives when her son,Phil married my sister, Anita. She quickly earned our respect and love when she so totally accepted her new family into her heart. The world lost a good lady but her memory will live on with those who loved her.
